Weybridge station offers direct access to London Waterloo in around 30 minutes*, whilst the A3 is under 4.5 miles with the London Orbital, the M25, being within 6 miles. Weybridge offers beautiful riverside walks along its well-kept towpaths, a superb high street with independent boutique shops, a Waitrose and an array of quality restaurants. In addition to the Thames, Weybridge's rivers include the Wey and Chertsey Meads and the village's history dates back to Domesday Book and was home to Henry VIII's infamous "Oatlands Palace", now the stunning Oatlands Park Hotel.

Located less than 30 miles away from central London, Weybridge also provides immediate and easy access to nearby towns of Cobham, Esher and the shopping mecca of Guildford, with its cobbled High Street and various enclosed shopping arcades and an abundance of excellent restaurants including an Ivy and Ivy Asia.

SUPERB SCHOOLING

RUSHMON
HOMES

ABOUT RUSHMON HOMES

At Rushmon Homes we've been creating a warm welcome in our new homes for over 50 years.

As an established family business with our own children and grandchildren, we're able to understand the evolving needs of our purchasers as they and their families change and grow over the generations.

"Our homes are design-led to provide light, spacious, adaptable living spaces that are a joy to be in – whether you're relaxing peacefully, socialising with friends or celebrating with loved ones."

Over the years, our customers have consistently found the quality of our homes reassuring. Our keen eye for design certainly makes our properties look elegant and inviting, but they're also refreshingly practical, functional and durable.

Our craftsmen use time-honoured building traditions and only the best materials to produce a fine finish.

Based in Surrey, we have acquired a wealth of local knowledge which enables us to develop homes in some of the most sought-after areas in the South-East, yet virtually all our developments are created on recycled land.

Perhaps it's a combination of all of these things that has won us a number of prestigious awards over time, with one judging panel noting of our Twin Trees scheme in Woking,

"This development shows the value of well-thought out regeneration, especially for those looking for that elusive object – the ideal family home".

Of course it's always very rewarding to receive such recognition, but our greatest accolade remains the positive feedback we hear from the people who matter most – our purchasers.
